

OUR STORY

The first Virginia Barbeque was opened in Ashland, Virginia. An original 100-year-old home on Main Street was perfect, affordable and it sure looked the part! We set up shop, fired up the smoker and put a picnic table out front. Our tag line "There's a new pig in town" let everyone know we meant business from the start. You see an icon of barbeque in Ashland named "The Smokey Pig" was right around the corner.

Our founder's original recipes like Roasted Red Potato Salad, Sweet Corn Muffins, Southern Slaw and award winning hand-pulled Hickory Wood Smoked Pork, Beef and Ribs are the secret ingredients to our success.

Our idea is simple, to create the finest Genuine Southern quick serve barbeque chain by partnering with others that are motivated to create their destiny.

We believe in staying true to our mission of Genuine Southern Barbeque and the freshest sides in a casual family atmosphere. By honoring the standards of quality, value and consistency we will create "Raving Fans" for generations!
